Front-End Developer with 2 years of experience crafting modern, visually appealing, and highly functional web solutions for over 10 international clients. Specialized in React, Next.js, Astro, and TailwindCSS, with a strong focus on autonomous problem-solving and performance optimization. Currently expanding my skill set in Back-End development to transition into a Full-Stack Developer role.

PROFESSIONAL EXPERIENCE

Freelance   **Oviedo, Spain(Remote – Spain, México, EEUU)**
FrontEnd Developer   *2023 – Present*

- I designed and developed websites for over 10 clients across various industries, including fashion, hospitality, and technology. I provided tailored solutions using both no-code tools (WordPress, Shopify) and modern tech stacks (ReactJS, NextJS, TailwindCSS, Astro).
- I integrated advanced animations using GSAP and Framer Motion to enhance the user experience.
- Implemented best practices in performance, accessibility, and technical SEO to improve visibility and loading speed.
- Developed a reusable UI component library that I use in my freelance projects to accelerate development.

Hausense(Mentorship Program)   **Remoto**
Digital Marketing Advisor   *April 2024 – August 2024*

- Digital Marketing Advisor for Interior Designers.
- Taught live and recorded classes (in English) on conversion funnels and WordPress web development.
- Guided students in the strategic and technical design of their digital presence to increase conversion rates.
